Association Handiconcept

The winter 2009-2010 was full of happy memories, interesting people, pleasures of sharing and enjoyable discoveries, and it's with great enthusiasm that we start the ski season of 2010-2011!

Thanks to you, our regular **members and donors**, we are able to continue...

A big THANK YOU, for your support during the year.

In 2010 :

- ✓ We had many satisfied clients and amazed them with new and exciting sensations
- ✓ We **offered a discount of 50 % during 10 days** for ski lesson and handicapped rental equipment
- ✓ Our team along with ten disabled people, appeared in the **Villars Night Show**, an exceptional night time event on the slopes of the ski resort !

Our aims in 2011:

- ✓ We would like to buy a « **Cingo®** », a new piece of equipment to enable clients with strong disabilities to discover the mountains by bike
- ✓ We are taking part in the **3rd edition of the Villars Night Show**, come and see us!
- ✓ We would like to **offer a discount of 50 % in the spring 2011!**

If you would like to support us, please do not hesitate to become a member or to help us with a donation.

We wish you a very merry Christmas, a happy new year and an enjoyable winter 2011!
